\* The Annual Percentage Yield (APY) is accurate as of 4/1/19. The minimum opening deposit is \$10,000 of funds not currently on deposit with Lake Shore Savings Bank. A \$10,000 minimum daily balance is required to avoid a monthly service charge.

\*\* A qualifying Lake Shore Savings Business Checking Account ("Qualifying Checking Account") is required to earn the premium rate. A Qualifying Checking Account is a Lake Shore Commercial Analyzed Checking or Lake Shore Business Checking with Interest account. Earn 1.50% APY without a Qualifying Checking Account. Fees and withdrawals will reduce earnings. Rates are variable and subject to change without notice. Regulation D limits you to make no more than six (6) withdrawals or transfers from a money market savings account during a calendar month. Withdrawals in excess of these limits may result in a fee or account closure.
